Itinerary and hotels are subject to change

Important Information

ETA-IL and Passports

American travelers to Israel must have a valid ETA-IL approval before starting their journey. You can get your ETA-IL approval and find more information through the attached link: [//israel-entry.piba.gov.il/](https://israel-entry.piba.gov.il/). Each group member will fill out the digital form independently. Personal details are required to fill out the form. It is valid for two years and costs 25 NIS, which is around \$7. In addition, a valid passport with an expiration date of at least 6 months beyond travel dates is required to travel to Israel.

Insurnace

Travel Insurance is not included in the purchase price. TGL TOURS is not responsible for damage, loss, or theft of luggage and/or personal belongings or for personal injury, accident, and/or illness. For your own protection, it is important that you have adequate insurance to cover these possibilities. You should carry proof of insurance in the event you require medical attention while you are in Israel.

Packing

We recommend bringing comfortable walking/hiking shoes, a hat, sunglasses, sunscreen, swimsuit, water shoes, a Bible, and a camera. With all travel, there are risks of luggage delays, so we recommend packing toiletry items and a change of clothes in your carry-on luggage. Please limit luggage to one suitcase per person and one carry-on per person, as storage space is very limited on the tour bus. We recommended checking the forecast before arrival and packing accordingly.

Dress Code

Modest dress is required in religious sites. For the ladies, modest dress is considered to include covered shoulders and knees. You can bring a light scarf to cover the shoulders and/or knees as needed. For visits to the Temple Mount, men and women should wear pants that cover their ankles, and women should wear tops that cover their shoulders and elbows. Head coverings/scarves at the Western Wall are optional. Should there be any dress code instructions, the guide will inform the travelers one day before.

Weather

Winter (December – February):

Winter in Israel is usually light. It can be cold during the winter months (especially in Jerusalem, a mountainous area), with some rainy days and sunny days, so we recommend bringing warm clothing and an umbrella.

Currency

The local currency is the New Israeli Shekel (NIS). Credit cards are accepted almost everywhere, and most places and services also accept US dollars. It is highly recommended to bring a small amount of cash with you.

Souvenirs

During the trip, there will be many opportunities to purchase souvenirs from the Land of Israel. While you will encounter many street vendors and boutiques for souvenirs, we do schedule a stop at a tour-approved souvenir shop during your visit. There, you will find everything from small souvenirs to Dead Sea products, handmade olive wood sculptures, coins, antiques, and more.

Food

Israeli cuisine is rich and varied. During your trip, you will mainly eat Israeli food such as shawarma, falafel, pita bread, salads, hummus, and more. Most hotel dining rooms and restaurants do not serve non-kosher foods or mix dairy and meat products.

Wi-Fi

Free Wi-Fi is available in every hotel as well as on the tour bus and in some restaurants.

Water

Bottled water is sold on the bus for \$1 per bottle (500ml). Tap water is safe to drink in Israel. We recommend you bring a reusable water bottle.

Accessibility

Please note that certain tourist sites are not accessible to wheelchair users.

Electricity

In Israel, the power plug sockets are type C and H. Please bring an adapter for your devices. The standard voltage is 220 V, and the frequency is 50 Hz. If you travel to Israel with a device that does not accept 220 Volts at 50 Hz, you will also need a voltage converter. Hairdryers are provided in each hotel room.
